RD PORTABLE CABIN

MANUFACTURING PORTABLE CABIN SINCE 2010

ABOUT OUR COMPANY

Rd Cabin operating since 15 years is a well-known Mumbai based company in the field of manufacturing Commercial portable cabins. Having years of operational experience in providing quality cabin our objective is to add value emphasize function with productivity and flexibility we can develop custom made cabins at different site of the clients located at various destination in country.

We manufacture a wide range of durable and cost-effective portable structures, including Portable Office Cabins, Site Office Cabins, Security Cabins, Toilet Cabins, Labour/Worker Cabins, Prefabricated Houses, Storage Cabins, Portable Kiosks and other customized fabricated structures.

We always stress hard to create a very cozy and comfortable ambience through design, quality of material and selection of color to make our clients feel ease even in very adverse climate and in remote places. We have a team of competent workers and staff who are admired for their best workmanship and technical skill and time management schedule to earn trust and gratitude from Our esteemed clients.

Our focus is on delivering quality construction, functional design, reliable materials, and customized solutions that meet the specific requirements of every project.

OUR VISION

To become a trusted and recognized name in the portable cabin and prefabricated structure industry by delivering innovative, durable, and value-driven solutions that contribute to faster, smarter, and more sustainable construction.

OUR MISSION

Our mission is to provide high-quality portable and prefabricated structures that combine strength, functionality, affordability, and convenience.

We strive to:

- (1) Understand the specific needs of every customer and project.
- (2) Manufacture structures using reliable materials and proven construction practices.
- (3) Maintain consistent quality throughout the manufacturing process.
- (4) Provide customized solutions for diverse applications.
- (5) Deliver products within committed timelines.
- (6) Build long-term relationships through dependable products and service.
- (7) Continuously improve our designs, processes, and manufacturing capabilities.

OUR QUALITY POLICY

At RD Portable Cabin, quality is an integral part of everything we do.

We are committed to manufacturing portable cabins and prefabricated structures that meet the required standards of strength, durability, safety, functionality, and workmanship.
